RESPONSE

Sir

This communication responds to the Notice of Non-Compliant Amendment mailed on June 7, 2004. Applicants point out that the submission to which the Notice responds was a Petition to Revive an application, and that the amendment attached is only a copy of the amendment originally filed (but not entered) in October 2002. Thus, the current amendment practice should not apply. Further, a copy of all claims then pending was attached as Appendix B to the submission. However, in the spirit of cooperation, Applicants provide herewith a copy of the full claim set as currently pending.

The text of the *amended* claims was provided with the RCE submission: Applicants herewith supply a copy only of the complete (clean) claim set, pursuant to the Notice.
